Article number: MAS 09

Description: **MAS 09 - Cartridge ring for spray mask - 2p.**

EAN:

Finixa MAS 09 is a replacement cartridge ring designed for use within the Finixa respiratory protection system. The ring is used to secure the MAS 05 P2 pre-filter onto the MAS 06 A1 gas filter cartridge, ensuring that the pre-filter remains correctly positioned during use.

Secure Attachment of MAS 05 Pre-Filters to MAS 06 Gas Cartridges

The MAS 09 retaining ring is an essential component for users combining particulate and gas filtration on their Finixa spray mask. By firmly holding the MAS 05 P2 dust filter against the MAS 06 A1 gas cartridge, the ring helps maintain proper filter assembly and allows both filter elements to function together as intended.

Key features

- Original Finixa replacement part
- Secures MAS 05 P2 pre-filters to MAS 06 A1 gas cartridges
- Easy to install and replace
- Extends the service life of reusable mask systems
- Supplied as a set of two rings

Packaging Information

- 2 pieces per pack
